Who Can Participate

Beantown Fall Ball is open to any high school boys team committed to playing in all eight sessions. This league is for "high school" teams, therefore each member of your Fall Ball team should be a representative from your high school. Teams are encouraged to have 8-10 members on your roster to ensure you have enough players each week to participate. And, teams not having at least 6 players will automatically be moved down a pool the following week. You may only borrow players when you do not have at least 6 players; however you will still move down the following week.

What if I don't have a team?

Don't worry, if you don't have a team, we will place you on one.

How does seeding work?

A pool of four teams plays on each court. Weekly, teams seeded according to ability will play in pools of four teams. The 1st place teams will move up to a higher level pool and the last place teams will move down. This allows your team to play competitively against teams of similar level.

Are there referees? Coaches?

The league supplies head officials. However, teams will be responsible for scorekeeping, line judging and down officiating. Coaches/coaching will not be allowed in this league. In fact, we will follow NCAA/MIAA Boy's Volleyball High School Rules for all games.

About Us

Founded in 1990, Beantown is a non-profit volleyball club in the Boston and MetroWest area. The club is an established member of the New England Region Volleyball Association and the USA Volleyball Junior Olympic Program. For more than 25 years, Beantown has been catering to volleyball players of middle school and high school ages focusing on providing a positive setting where youths can improve their volleyball skills in a healthy competitive environment.

Building on and enhancing our players' enthusiasm for the game, Beantown's programs teach volleyball skills as well as sportsmanship, discipline, self-confidence, goal achievement, teamwork, and a drive to always excel.
